# PETITION FOR REVIVAL

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Applicant herewith petitions Commissioner, under paragraph 1.137(b) in Rules of Practice in Patent Cases, to revive subject application.

Applicant herewith verifies that subject application was unintentionally abandoned.

Enclosed herewith are:

- (1) A check (#3439) for \$310.00 to cover the fee therefor;
- (2) A Verified Statement re Small Entity Status.
- (3) A response to the outstanding office action.

Applicant believes that Examiner's holding of abandonment (on 02/14/90) of subject application was improper; and, on 02/23/90, Applicant submitted a petition to have Examiner's action overturned. However, Applicant has not yet had any response from the Patent Office with respect to his Petition; and, since time is of the essence, Applicant can not afford to wait any longer for a response to his Petition.
